

VS2-TWM

The security features listed below, as well as those not listed, exceed industry guidelines.

Security Features:

- Microprinted Border:** • Small type in border appears as dotted line when photocopied.
- Warning Band:** • Alerts handler the document contains security features.
- Original Watermark:** • Indicates document originality, difficult to reproduce.
- Heat Sensitive Ink:** • Responds to warmth. Hold red image between thumb and forefinger or breathe on it. The image will fade and reappear.
- Void Background:** • Pattern protects against alterations; a hidden word becomes visible when photocopied or scanned.
